

JS2024 : 5th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Contribution ID: 540

Type: **not specified**

Invited talk: Integrative Biophysical and Computational Approaches for Melanoma Drug Combination Selection via Glycosylation-Based Biomarkers

Monday, 1 July 2024 10:00 (25 minutes)

Presenter: Prof. KOBIELA, Tomasz (Warsaw University of Technology)

Session Classification: NOVEL BIOMARKERS FOR THERANOSTICS
