

JS2024 : 5th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Contribution ID: 544

Type: **not specified**

Invited talk: Molecular transport imaging of radiotracers with total-body dynamic PET

Monday, 1 July 2024 12:15 (25 minutes)

Presenter: Prof. WANG, Guobao (University of California Davis)

Session Classification: TOTAL-BODY PET
