

JS2024 : 5th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Contribution ID: 547

Type: **not specified**

Invited talk: Study of the mechanism of positronium formation on solid surfaces

Monday, 1 July 2024 14:55 (25 minutes)

Presenter: Prof. CIZEK, Jakub (Faculty of Mathematics and Physics, Charles University)

Session Classification: POSITRONIUM IN FUNDAMENTAL AND MATERIAL PHYSICS
