

JS2024 : 5th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Contribution ID: 557

Type: **not specified**

An analytic, moment-based method to estimate orthopositronium lifetimes in positronium lifetime imaging

Tuesday, 2 July 2024 11:10 (20 minutes)

Presenter: BERENS, Lucas (University of Chicago)

Session Classification: POSITRONIUM IN MEDICINE
