

JS2024 : 5th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Contribution ID: 562

Type: **not specified**

Invited talk: Application of spin-polarized positron annihilation spectroscopy to spintronics materials

Tuesday, 2 July 2024 14:40 (25 minutes)

Presenter: Prof. KAWASUSO, Atsuo (National Institute for Quantum Science and Technology)

Session Classification: POSITRONIUM IN FUNDAMENTAL AND MATERIAL PHYSICS
