

# JS2024 : 5th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Contribution ID: 577

Type: **not specified**

## **Invited talk: Probing polarization correlations of annihilation quanta in Compton scattering experiment and their implementation in Positron emission tomography**

*Wednesday, 3 July 2024 14:00 (25 minutes)*

**Presenter:** Prof. MAKEK, Mihael (Department of Physics, Faculty of Science, University of Zagreb)

**Session Classification:** QUANTUM ENTANGLEMENT IN PET
