

JS2024 : 5th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Contribution ID: 579

Type: **not specified**

Invited talk: Theoretical Framework for Multiple Compton Scattering of PET Annihilation Photons

Wednesday, 3 July 2024 15:20 (25 minutes)

Presenter: Prof. CARADONNA, Pietro (University of York)

Session Classification: QUANTUM ENTANGLEMENT IN PET
