

# JS2024 : 5th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Contribution ID: 580

Type: not specified

## Studies of the quantum entanglement of photons from electron- positron annihilation in the porous material using J-PET scanner

*Wednesday, 3 July 2024 15:45 (20 minutes)*

**Presenter:** KUMAR, Deepak (Jagiellonian University)

**Session Classification:** QUANTUM ENTANGLEMENT IN PET
