

# JS2024 : 5th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Contribution ID: 585

Type: **not specified**

## Invited talk: Applying positron-emission diagnostic techniques to magnetically confined electron-positron pair plasma

*Saturday, 6 July 2024 09:30 (25 minutes)*

**Presenter:** Dr VON DER LINDEN, Jens (Max Planck Institute for Plasma Physics)

**Session Classification:** POSITRONIUM IN FUNDAMENTAL AND MATERIAL PHYSICS
