

JS2024 : 5th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Contribution ID: 587

Type: **not specified**

Invited talk: Formation of long lived nuclear molecules in (p, 2He) nuclear reactions on ^{181}Ta and ^{159}Tb

Saturday, 6 July 2024 10:50 (25 minutes)

Presenter: Prof. KADENKO, Ihor (International Nuclear Safety Center of Taras Shevchenko National University of Kyiv)

Session Classification: EXOTIC ATOMS AND NUCLEI, NUCLEAR PHYSICS
