

JS2024 : 5th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Contribution ID: 590

Type: **not specified**

Invited talk: The eta-deuteron interaction studied in coherent neutral-pion and eta-meson photoproduction on the deuteron

Saturday, 6 July 2024 12:05 (25 minutes)

Presenter: Prof. ISHIKAWA, Takatsugu (Research Center for Nuclear Physics (RCNP), Osaka University)

Session Classification: EXOTIC ATOMS AND NUCLEI, NUCLEAR PHYSICS
