

## JS2024 : 5th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Contribution ID: 598

Type: **not specified**

### Invited talk: Recent Advances in Hyperpolarized Xenon-129 Molecular Imaging: Are We Close for a Practical Application?

*Saturday, 6 July 2024 16:10 (25 minutes)*

**Presenter:** Prof. ALBERT, Mitchell (Lakehead University—Thunder Bay Regional Health Research Institute Research Chair in Molecular Imaging and Advanced Diagnostics)

**Session Classification:** MEDICAL IMAGING INNOVATIONS
