

JS2024 : 5th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Contribution ID: 604

Type: **not specified**

Invited talk: Probing red blood cell - derived microparticles (RMPs): Insights from Raman spectroscopy and complementary techniques

Thursday, 4 July 2024 12:00 (25 minutes)

Presenter: Prof. MARZEC, Katarzyna (AGH University of Science and Technology)

Session Classification: EXTRACELLULAR VESICLES FOR THERANOSTICS
