

JS2024 : 5th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Contribution ID: 628

Type: **not specified**

Simulation studies of a brain PET insert for the total body J-PET tomograph

Friday, 5 July 2024 14:40 (20 minutes)

Presenter: Dr RÄDLER, Martin (Department of Experimental Particle Physics and Applications, Jagiellonian University)

Session Classification: PET IMAGING INNOVATIONS
