

# JS2024 : 5th Jagiellonian Symposium on Advances in Particle Physics and Medicine

## Tuesday 02 July 2024

### POSITRONIUM IN MEDICINE (11:40-12:45)

time	[id] title	presenter
11:40	[558] Invited talk: Ortho-Positronium Lifetime Spectroscopy for 2-D Liver Tissue Imaging	Prof. DI FULVIO, Angela
12:05	[559] Invited talk: Positronium lifetime measurement using a clinical PET system for biomedical applications	Dr TAKYU, Sodai
12:30	[560] Preliminary studies of positronium lifetime estimation in human livers	Mr DAS, Manish
