

# JS2024 : 5th Jagiellonian Symposium on Advances in Particle Physics and Medicine

## Tuesday 02 July 2024

### POSITRONIUM IN FUNDAMENTAL AND MATERIAL PHYSICS (14:10-15:55)

time	[id] title	presenter
14:10	[561] Key talk: Search for New Particle in Positronium Decay	Prof. KIM, Hong Joo
14:40	[562] Invited talk: Application of spin-polarized positron annihilation spectroscopy to spintronics materials	Prof. KAWASUSO, Atsuo
15:05	[563] Invited talk: Remarks on Positronium in molecular matter and other	Prof. DRYZEK, Jerzy
15:30	[564] Invited talk: S-QM/MM approach to positronium in liquids	Prof. VARELLA, Marcio
