

# JS2024 : 5th Jagiellonian Symposium on Advances in Particle Physics and Medicine

## Sunday 30 June 2024

### POSITRONIUM IN MEDICINE (11:50-12:25)

time	[id] title	presenter
11:50	[530] First positronium imaging of humans	Prof. MOSKAL, Pawel
12:00	[531] Invited talk: From SPLIT to SIMPLE: High-Resolution Statistical Image Reconstruction Methods for Positronium Lifetime Imaging	Prof. QI, Jinyi
