

JS2024 : 5th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Monday 01 July 2024

TOTAL-BODY PET (11:20-13:05)

time	[id] title	presenter
11:20	[542] Key talk: Total-Body PET: where are we today?	Prof. ROMINGER, Axel
11:50	[543] Invited talk: Clinical practice and clinical research on the Total Body PET	Dr BROUWERS, Adrienne
12:15	[544] Invited talk: Molecular transport imaging of radiotracers with total-body dynamic PET	Prof. WANG, Guobao
12:40	[545] Invited talk: Quantitative modeling of human physiology using PET	Dr ANDERSEN, Thomas Lund
