

JS2024 : 5th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Tuesday 02 July 2024

POSITRONIUM IN MEDICINE (10:20-11:30)

time	[id] title	presenter
10:20	[555] Invited talk: Enhanced Two-Component Positronium Lifetime Imaging in Time-of-Flight PET	Prof. HUANG, Hsin-Hsiung
10:45	[556] Invited talk: Challenges and prospects of the positronium imaging reconstruction in J-PET	Dr SHOPA, Roman
11:10	[557] An analytic, moment-based method to estimate orthopositronium lifetimes in positronium lifetime imaging	BERENS, Lucas
