

JS2024 : 5th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Friday 05 July 2024

POSITRONIUM IN FUNDAMENTAL AND MATERIAL PHYSICS (09:30-10:30)

time	[id] title	presenter
09:30	[619] Dark Matter in Positronium and J-PET prospects	Dr PEREZ DEL RIO, Elena
09:50	[620] Advancements in sensitivity of CPT symmetry test for ortho- positronium decays in J-PET	CHUG, Neha
10:10	[621] Ortho-Positronium Detection with a High-Resolution PET Scanner	ABOUZHR, Firas
