

# JS2026: 6th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Contribution ID: 131

Type: **talk**

## Generation of Exotic Ions Through The Collision of Slow Positrons With Solid Surfaces And Their Applications In Atomic Physics

*Friday, 10 July 2026 14:00 (25 minutes)*

**Presenter:** NAGASHIMA, Yasuyuki (Tokyo University of Science)

**Session Classification:** Exotic Atoms & Nuclei, Nuclear Physics
