

# JS2026: 6th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Contribution ID: 136

Type: **talk**

## Probing The Nuclear Periphery Via The Cold Annihilation of Antiprotonic Atoms

*Friday, 10 July 2026 11:50 (20 minutes)*

**Presenter:** PARNEFJORD GUSTAFSSON, Fredrik Olof Andre (CERN, Switzerland)

**Session Classification:** Antimatter in Fundamental & Material Physics
