

JS2026: 6th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Contribution ID: 140

Type: talk

Exotic Case: Possible Observation Of A Bound Diproton & It's Decay In An Unbound Deuteron

Friday, 10 July 2026 09:45 (20 minutes)

Presenter: KADENKO, Ihor (International Nuclear Safety Center of Taras Shevchenko National University of Kyiv)

Session Classification: Exotic Atoms & Nuclei, Nuclear Physics
