

JS2026: 6th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Contribution ID: 166

Type: **talk**

Positron Annihilation In Bio nanotechnology: Design Principles For Polymer-Based Biosensors

Wednesday, 8 July 2026 15:55 (20 minutes)

Presenter: KAVETSKYY, Taras (Drohobych Ivan Franko State Pedagogical University)

Session Classification: Antimatter in Fundamental & Material Physics
