

# JS2026: 6th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Contribution ID: 167

Type: **talk**

## Development And Applications of New Nanomaterials For High Speed, High Efficiency And High-Resolution Radiation Detectors

*Wednesday, 8 July 2026 16:15 (15 minutes)*

**Presenter:** CHOLEWA, Marian (University of Rzeszow)

**Session Classification:** Antimatter in Fundamental & Material Physics
