

JS2026: 6th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Contribution ID: 174

Type: **talk**

Operational Signatures of Bell Photons Beyond Polarization Filters

Tuesday, 7 July 2026 11:25 (20 minutes)

Presenter: CARADONNA, Peter (Ishikawa & Sato Laboratory, Department of Nuclear Engineering and Management)

Session Classification: Quantum Entanglement in Positron Emission Tomography
