

JS2026: 6th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Contribution ID: 175

Type: **talk**

Towards Rigorous Entanglement Detection of ParaPositronium Annihilation Photons

Tuesday, 7 July 2026 11:45 (20 minutes)

Presenter: SOWIŃSKI, Tomasz (Institute of Physics, Polish Academy of Sciences)

Session Classification: Quantum Entanglement in Positron Emission Tomography
