

JS2026: 6th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Contribution ID: 177

Type: **not specified**

Measuring the Polarization Correlation of Annihilation Photons in e^+e^- Decays using Modular J-PET

Tuesday, 7 July 2026 12:20 (15 minutes)

Presenter: KUMAR, Deepak (Jagiellonian University)

Session Classification: Quantum Entanglement in Positron Emission Tomography
