

# JS2026: 6th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Contribution ID: 193

Type: talk

## Evaluation of Novel $\beta^+\gamma$ Emitters For Positronium Lifetime Imaging With The Modular J-PET Scanner

*Monday, 6 July 2026 12:25 (15 minutes)*

**Presenter:** DAS, Manish (Jagiellonian University)

**Session Classification:** Multiplexed PET & Positronium Imaging
