

JS2026: 6th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Contribution ID: 195

Type: **talk**

A Deep Learning Framework For Water-Equivalent Portal Dose Reconstruction And Treatment Error Detection Using E-PID Imaging For Phantoms And Patients

Monday, 6 July 2026 14:25 (15 minutes)

Presenter: KRAAN, Aafke (INFN Pisa)

Session Classification: Particle Therapy Monitoring
