

JS2026: 6th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Monday 06 July 2026

Particle Therapy Monitoring (14:00-15:10)

time	[id] title	presenter
14:00	[194] Advanced On-Board Imaging For Precision Small Animal Proton And Light Ion Radiation Research	PARODI , Katia
14:25	[195] A Deep Learning Framework For Water-Equivalent Portal Dose Reconstruction And Treatment Error Detection Using E-PID Imaging For Phantoms And Patients	KRAAN, Aafke
14:40	[196] In-Beam PET For First In Vivo Proton Range Assessment In Small-Animal Therapy With Online Image Reconstruction	LOVATTI, Giulio
14:55	[197] Range Monitoring In Proton Therapy Using The J-PET Scanner: Extended Experimental Studies	NIEDŹWIECKI, Szymon
