

JS2026: 6th Jagiellonian Symposium on Advances in Particle Physics and Medicine

Tuesday 07 July 2026

Antimatter in Fundamental Physics (15:40-16:35)

time	[id] title	presenter
15:40	[182] Testing Matter-Antimatter And Other Discrete Symmetries In Particle Physics	DI DOMENICO, Antonio
16:05	[183] Dalitz Plot Study For Ortho-Positronium Decays Into Three Photons With The J-PET Tomograph	SKURZOK, Magdalena
16:20	[184] Status of CPT Symmetry Test In Ortho-Positronium Decays With The Modular J-PET Detector	CHUG, Neha
